For additional accessories, see the Accessories Section of the I-CON catalog or contact our Customer Service Team for details.

Recommended Specification

The I-CON ENVISAGE® Handheld Programmer Network Setup Console comes pre-configured from the factory with the Network Setup Console software installed. I-CON Envisage NSC is plug and play with I-CON communicating series controllers. Envisage NSC is a Windows 10 based computer. Envisage NSC allows for customization of controller settings such as runtime, lockout, and other settings.

*An ENVISAGE® USB Network Interface is required to communicate with NEXUS® controllers.
