

ENVISAGE® Pro Kiosk Computer

Part No. 104577

► **Description**

The ENVISAGE® Pro Kiosk Computer acts as an access point to the I-CON ENVISAGE® Pro Control System. It can be located anywhere if the kiosk and the host server are on the same local network.

► **Features**

- Provides an access point to the ENVISAGE® Pro Control System
- Pre-configured and locked down to prevent access to other programs

Recommended Specification

I-CON ENVISAGE® Pro Kiosk Computer must be able to be located independently of the host server. The kiosk shall provide an access point to the water management system. The computer must only allow access to the ENVISAGE® Pro Control System software.

**The ENVISAGE® Pro Kiosk Computer and the ENVISAGE® Pro Control System Server must be on the same local network.*
